

BE A PETAL PUSHER AND WATCH YOUR FLORAL SALES FLOURISH!

Don't settle for drab, put your petals in metal for pizzazz — and profit!

Our 3-Tier Floral Bucket Metal Display garners looks while offering a modest footprint for a baker's dozen of graduated rows of floral bucket holders. The display also includes an easy slide-on-and-tighten rustic barn wood 7" h x 11" w sign frame to complete the look. Classic black powder-coated, hollow 1/2" steel tubing make up the sturdy rack, which can be easily doubled, tripled and even quadrupled to create an impressive 360° display! So, whether you use 1, 2, 3 or 4 products, our simple 55" h x 66 7/8" x 47" d floral display delivers on functionality with a focus on flowers and sales!

Tapered Floral Bucket
(Available Upon Request)

Complete your flower display with durable floral buckets. The versatile 8" diameter wide-mouth bucket promotes fresh, crush-free bouquets, while its tapered 10" height accommodates long stemmed blooms.

Complement your floral category with Marketplace Chalk™ Floral Blank Inserts, Liquichalk™ Markers, and a variety of sign holders, clips and more. Visit blancind.com.
