

Taunt the competition, that is, with its good looks, strength and flexibility. There's no easier and cost-effective way to build your brand!

Easy on the eyes and your pocketbook, customized shelf strips are an efficient, cost-effective way to promote your product. Available in assorted sizes for use on wider shelves and with perforation, which allows for a clean break when merchandising smaller sections. Shelf strips easily adapt to a variety of shelf, track and channel widths and lengths. Frame your merchandise using multiple strips. It's an easy alternative at a fraction of the cost of other accessories.

At **The Blanc Signage & Display Group** we believe that skies the limit on creativity, not on budget! Take a look at our catalog or logon to www.blancind.com for more information and ideas!
