Guide
Inside

Finally! A fully flexible spring-loaded system that can be customized.

Wide Pusher System

The large pusher system is ideal for big items like bagged salads, frozen foods, cheeses and meats. Easily adjustable to accommodate just about any package with up to 7 facings per 4 foot section.

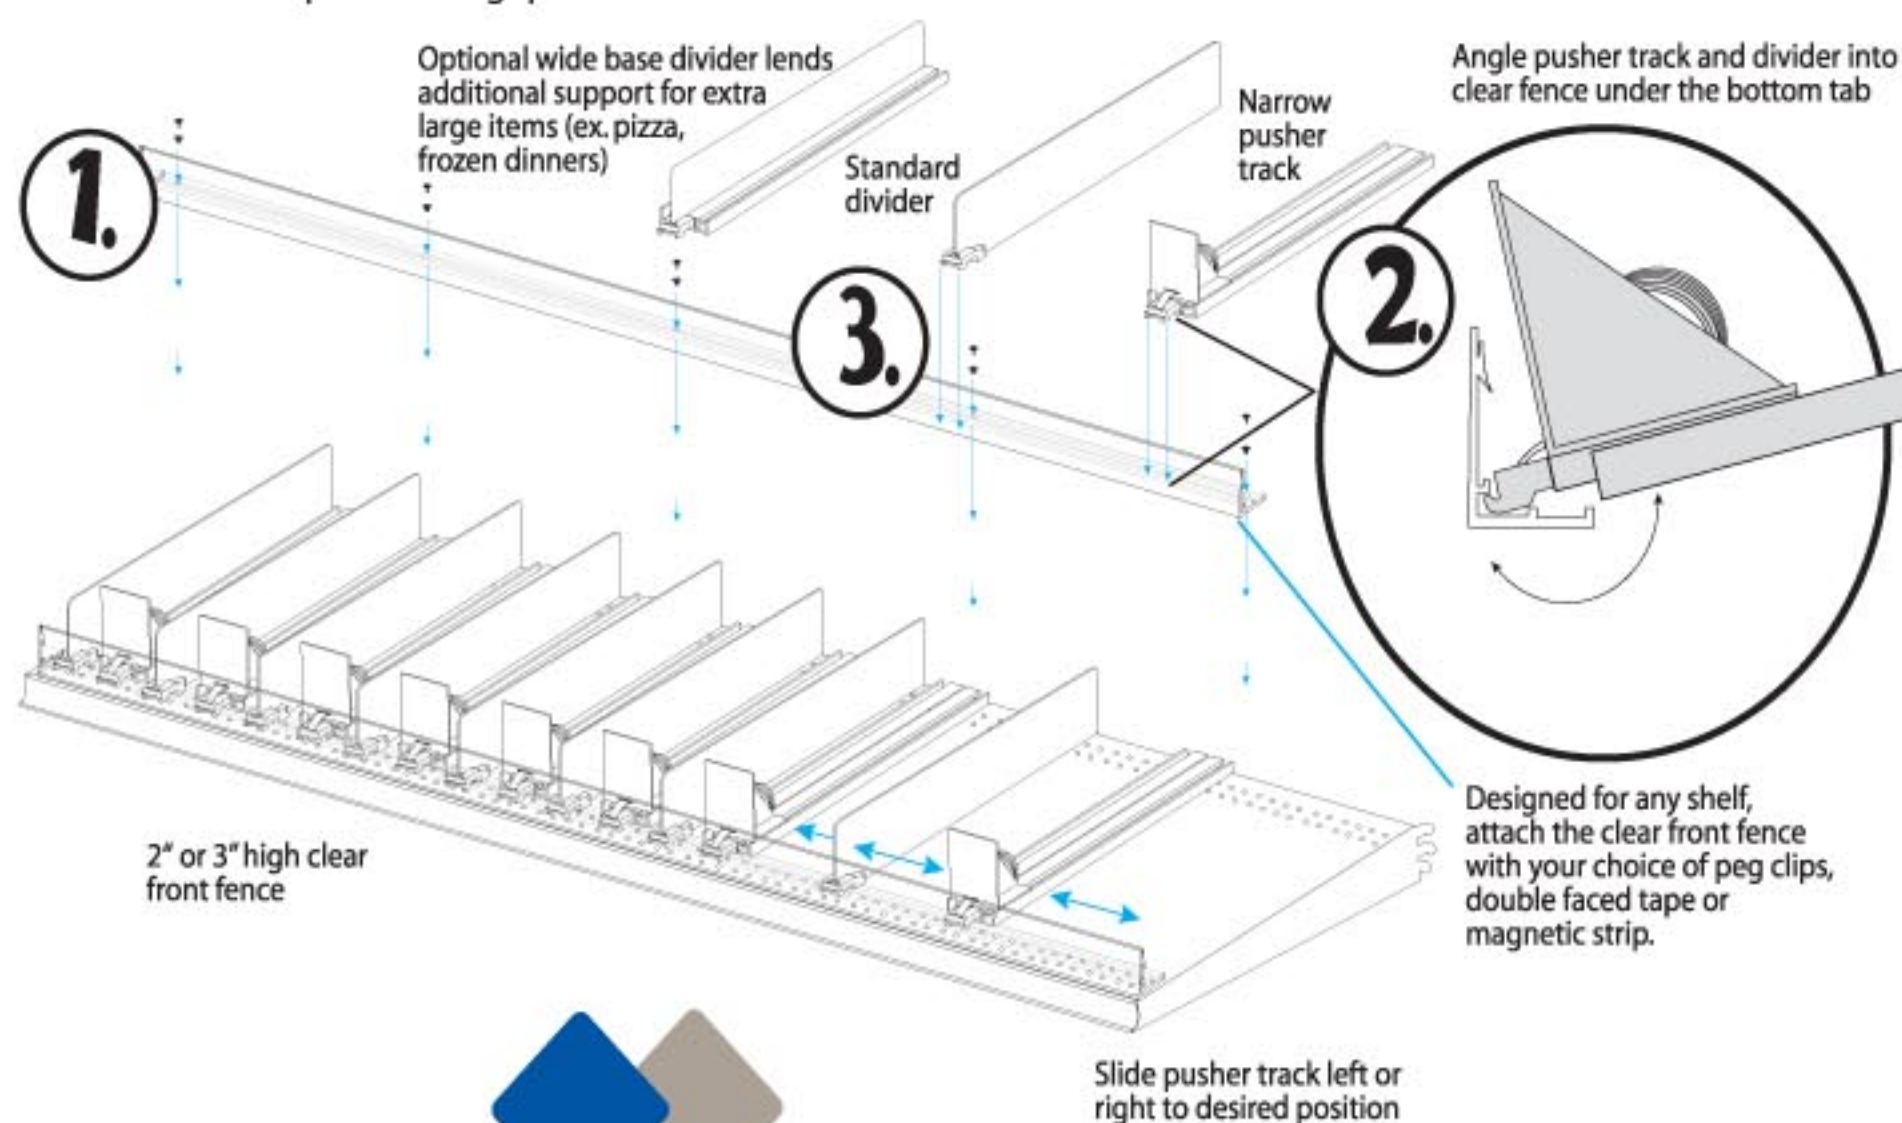

Easy Installation

1. Place the clear front fence on the shelf and attach with your choice of peg clips, double stick tape or magnetic strip.
2. Angle the pusher track into the channel of the clear front fence and slide to the desired position.
3. Add your product and let the sales begin!
IT'S THAT EASY!

Individual Units Make It Easy To Clean, Add and Replace Parts!

Narrow Pusher System

Ideal for smaller items such as herbs, bottles, vitamins, health & beauty items, canned vegetables & fruits. Accommodates up to 19 facings per 4 foot section.

Easy Installation

1. Place the clear front fence on the shelf and attach with your choice of peg clips, double stick tape or magnetic strip.
2. Angle the pusher track into the channel of the clear front fence and slide to the desired position.
3. Angle the dividers into the clear front fence and slide into position between the pusher tracks
4. Add your product and let the sales begin!
IT'S THAT EASY!

Build Your Own System

(see back page for standard pre-designed units)

Pusher Track (black)

Includes front fence adapter

Case Depth _____

Narrow Pusher Track (2"W)

Wide Pusher Track (6-5/8"W)
