

NEW Wood Look Dial-Tags™

By Blanc Industries

The most convenient all-in-one pricing system on the market!

Spice up your department signage with our Wood Look Dial-Tags™. Choose from a write-on, wipe-off oval design or a rectangular tag with built-in slots for item name inserts. These unique designs will catch the attention of the customers and price your items with ease. The pricing appears through the windows in front. Simply turn the wheels on the back side to adjust the price. Tags work well with all of our clips and attachments to fit your needs. Customize your tag with a printed logo or message.

Write-on, wipe-off surface

Slots for custom item inserts

For other unique designs, choose from a variety of our stock Dial-Tags™ to fit any application and department signage needs.
